

MY DEAR LADS,

You may be told perhaps that there is no good to be obtained from tales of fighting and bloodshed,—that there is no moral to be drawn from such histories. Believe it not. War has its lessons as well as Peace. You will learn from tales like this that determination and enthusiasm can accomplish marvels, that true courage is generally accompanied by magnanimity and gentleness, and that if not in itself the very highest of virtues, it is the parent of almost all the others, since but few of them can be practised without it.

G.A. Henty

Saint George for England

by George Alfred Henty

A tale set in England in the time of Cressy and Poitiers. A child of noble birth whose parents have fallen foul of the current royalty is taken by his dying mother and placed in hiding. He grows up with a bowyer and then apprenticed to an armourer just outside the gates of the City of London, becomes accomplished in arms and joins the campaign in France.
